

What do they **THINK & FEEL?**

is the kid at
intervals the
precise
location

concern of
snatch

make sure
the child's
safety

disturbed
concerning
the child's
condition

usage of GPS
technology

provides the
precise
location

What do they **HEAR?**

What do they **SEE?**

encompasses
a real
time pursuit

Notify the
parent once outsi
de the given
location

visited
location information a
re hold
on in information

What do they **SAY & DO?**

to trace the
child's
location

apprise when
the kid moves
out of the
situation

child can
even initiate
emergency
notification

rent a guard

Observe
their child

PAIN?

GAIN?

Wearable
widgets
are valuable

gadget size
is massive

might track
the child's
location
